

For Immediate Release

## **Tadiran Telecom, Inc. Names Barry Slyper National Sales Manager**

**Port Washington, NY – December 19, 2007** - Tadiran Telecom is pleased to announce the promotion of Barry Slyper to National Sales Manager effective January 1, 2008. In this new position he will report directly to CEO Zeev Rubinstein and will actively manage Tadiran's sales staff. Barry has over twenty years experience in telecommunication sales management-training and managing sales teams. His familiarity of the reseller business model and his knowledge of the industry provide an excellent foundation for best positioning Tadiran's sales activities. Tadiran will be looking to add someone to assume his regional responsibilities in the South Eastern US.
